

Request for Membership

Hello property owners around 10th & 11th Crow Wing lakes! Please consider joining our team and get your voice heard at the semi-annual meetings.

What do your annual dues pay for? Your dues help pay for the postage and printing of the annual newsletter, lake water clarity testing through COLA (Coalition of Lake Associations in Hubbard County), and various projects that members approve in any given year (loon nests, fees to facilities where meetings take place, etc.) There are no paid employees in this volunteer driven, non-profit association.

To become a member, simply pop a check in the mail, along with this page into the enclosed envelope addressed to the Treasurer.

___ I am a NEW member - enclosed is \$20 for this year's membership (please allow any extra amount to go into general funds)

___ I am renewing my membership - enclosed is \$14 (please allow any extra amount to go into general funds)

___ I would like this additional amount of \$_____ to go towards helping to control and monitor the Curly Leaf Pondweed and other aquatic invasive species efforts (annual DNR chemical application permits, dry chemical reimbursement, possible stipend to local youth for helping to hand-pull or rake the CLP on a coordinated schedule)

___ I would be willing to volunteer a couple of hours of my time this year to help with

_____ (Examples: work with others to fix existing loon nests, write an article for the newsletter, write letters to our local legislators on behalf of the association, become a committee member (fisheries, Highway 64 issues, erosion control or re-vegetation projects, water safety patrol, Aquatic Invasive Species control), gather history on the lake for a scrapbook or publishing on upcoming association website, attend COLA meetings when COLA rep cannot make it each month, create welcome packets for new property owners on lakes, help to monitor aquatic plants, help coordinate the summer potluck picnic, help to

REMEMBER: the association is only as strong/constructive as the volunteers who are willing to participate! If everyone donated at least 1 hour of their time per season to whichever project they're most interested in to help the lakes, we'd be very effective indeed! We're looking forward to working with you: Neighbors helping neighbors for the greater good of the lakes . . .
