

Minutes – September 28, 2018 3:00 – 4:30

Called to order 3:55

Attendance - 17

Fall Minutes reviewed – motion to accept Ernie Opheim, 2nd Ken Emmeck all approved

Treasurer Report – GF 4220.73 AIS 340.00, on hand 4560.73.

Water clarity testing – Ken Emmeck completed June thru September
many Seci Disc tests at 19 feet. Completed 2 zebra mussel.
Thank you Ken.

Water Level – Ernie and Pat Opheim completed and found that the level fluctuates less than 6 inches
Thank you

COLA Update – Ken Emmeck attended on our behalf in July or August

AIS – there was no permit for chemicals this year. We need to provide pictures and GPS coordinates to
get the permits.

Watercraft Inspections – May meeting motioned to approve funds for 2019 same hours as 2018 Kim
Bowen, 2nd John Poyer. Need to attend January 2019 Akeley meeting to get matching funds.

ATV Trail – Opheim's will have an informal conversation with Lauren & Nels Kramer about the location
of the proposed change to the trail on 34 next to the highway

Calcium Chloride – Kim Bowen calling Hubbard Co.

Fisheries – nothing reported

Loon Nests – Dan Horn will pull out the one in the bay.

Motion to give ARCC 20.00

Spring Meeting – TBD.

Meeting adjourned 4:26

Culvert Replacement – Joe McKinnon and Jacob Indihar from DOT

Planned for fall 2021

Approx 1.2m

takes 1-2 months to complete

County 25 will be the detour

12x12 and 80-85 feet long. Extended the culvert to eliminate guardrails.

2-3 ft grade raise

there will be a temporary culvert installed while the work is going on

no plans for dredging in the future

Highway 34 in Akeley is planned for Summer 2022
